Email Address and Permission to Share Images Form

In order to best facilitate our communication between parents and the center, we utilize email distributions list for our classrooms and centers. Emailing has proved to be the best way to send out notices, newsletters, pictures and other information in a timely manner.

Please write your email address in the spaces below and please print clearly to help us avoid errors in entering your email address. You may list home and work addresses for all parents or quardians. Thank you!
